Current activity.

2009-2012. Mentoring Development Group. Tutor /facilitator /lecturer on Mentoring Certificate Course.

2007-present

Mentor for candidates for the Fellowship. Involves practice inspections and certification of standards., keeping up to date with current regulations and best practice.

Other roles in the 90s

Governor Eastman Dental Hospital.

Appointed member of 2 Standing Dental Committees of the Government for three years each.

Founder Women in Dentistry 1986-2010. First Chair and later President
WID achieved getting maternity pay for women dentists in the NHS, amongst other activities of the association during its existence.

Proudest achievement

Taking a case to Court backed by the Equal Opportunities Commission in 1986, to get equality for women dentists in Permanent Health Insurance.

Although the case was lost at the time, the publicity and support led to the Foundation of Women in Dentistry.

I was supported by a leader in the Times

About 5 years ago the European Court ruled that there should be no further discrimination in Insurance of any kind, my case was quoted.

Memberships

BDA 1966-2013.

Royal Society of Medicine. Current .

Faculty of General Dental Practice current.

Graduate Member British Psychological Society

International Society for Coaching Psychology

Member of the Association for Coaching

Member of the ILM.

In **2001** I had breast cancer and took a step back from extracurricular activities to concentrate on my health, and my practice.

In **2003** I moved my patients to Bupa when my lease ran out.

In 2005 I sat my Fellowship, which involved an extensive evaluation of the Bank Practice and its standards.

I instigated the participation of the practice in the BDA Good Practice Scheme as a result of that.

I carried out some audits in 2009 for several dentists, including visiting some on – sites.

I assisted the Clinical Director in 2011-12 in developing the current template.

Researched and developed documents on sedation in practice at Bupa and controlled drugs policy

Professional development

I continue to develop my anxiety management service. I have answered more than 500 questions to the public, on the website

www.dentalphobia.co.uk.

I would like to make an e book for patients and under and new graduates.

I want to develop my coaching business JMP Coaching after the closure of the NHS Service in its current form.

Personal Interests

Embroidery, gardening, Cats Protection, family history research,

Looking after my husband and our cats.

I have my own professional genealogy business since 2015, I am an associate member of AGRA, and am currently taking an advanced certificate with Pharos Tutors and am working towards the certificate of the IHGS.
